You are encouraged to review the Web Site periodically for updates and changes.

ACCESS AND CONTENT

Limited License and Site Access – The Owner hereby grants you a limited license to access and make personal use of this Web Site but not to download (other than page caching) or modify it, or any portion of it, except with the express written consent of the Owner. This license does not include any resale or commercial use of this Web Site or its contents; any collection or use of any product listings, descriptions, or prices; any derivative use of this Web Site or its contents; or any use of data mining, robots, or similar data gathering and extraction tools. This Web Site or any portion of this Web Site may not be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any commercial purpose without the express written consent of the Owner. Any unauthorized use terminates the permission or license granted by the Owner.

Availability of Products and Services – Unless indicated in the [ACE Group Regulatory Status Chart](#), non-U.S. companies within the ACE Group are not licensed or otherwise authorized to conduct business in the United States and do not engage in or transact any business in the United States through this Web Site or otherwise. In certain countries, non-U.S. buyers and their representatives may be able to transact insurance with non-U.S. ACE Group companies through web sites that are accessible through this Web Site.

Due to various insurance and other regulatory restrictions, certain Products and Services described on this Web Site are not available to all users. Also, Products and Services may vary by jurisdiction and may not be offered by all of the ACE Group companies, nor are all Products and Services available or suitable for all jurisdictions. **EXCEPT AS EXPRESSLY STATED HEREIN, THE INFORMATION CONTAINED ON THIS WEB SITE IS NOT AN OFFER TO SELL OR A SOLICITATION TO BUY ANY SECURITY, INSURANCE PRODUCT, OR OTHER PRODUCT OR SERVICE BY THE ACE GROUP COMPANIES. No security, insurance product or other product or service is offered or will be sold by the ACE Group companies or, if sold by the ACE Group companies, will be effective in any jurisdiction in which such offer or solicitation, purchase or sale would be unlawful under the securities, insurance or other laws of such jurisdiction.**

From time to time, as the context requires, "ACE" or "ACE Group" may be used to refer to combined financial results or aggregate activities of the members of the ACE Group. When so used, those references are not intended to infer that ACE Limited or any other individual member company of the ACE Group conducted specific activities, had a particular licensing status in a jurisdiction or generated specific results.

Please contact a designated ACE Group representative or your broker to find out which Products and Services are available to you in your jurisdiction.

This Web Site may provide certain summary descriptions or other helpful information regarding Products and Services. The ACE Group attempts to be as accurate as possible; however, any such materials are intended to generally describe the Products and Services and are subject in all respects to the specific terms and conditions of the actual policy or product/service agreement to which they refer. Complete policy terms are available upon request.

That Act provides a statutory "safe harbor" for forward-looking statements. Any written or oral statements made by or on behalf of ACE Limited or any of its subsidiaries or operating divisions reflect current views with respect to future events and financial performance. These forward-looking statements are subject to uncertainties and inherent risks that could cause actual results to differ materially from those contained in any forward-looking statement.

Please refer to ACE Limited's filings with the Securities and Exchange Commission, including the most recent Forms 10-K and 10-Q, and any Forms 8-K since the most recent Form 10-K, for further information on such uncertainties and inherent risks and the "safe harbor" under the Private Securities Litigation Reform Act of 1995.

USE OF "COOKIES" OR OTHER DATA COLLECTION TOOLS

A cookie is a piece of information that a web server may place on your computer when you visit a web site. Cookies are commonly used by web sites to improve the user experience and have not been known to transmit computer viruses or otherwise harm your computer. Many cookies last only through a single web site session, or visit. Others may have an expiration date, or may remain on your computer until you delete them.

We may use cookies for a number of purposes -- for example, to maintain continuity during a user session, to gather data about the usage of our web site for research and other purposes, or to enable our servers to recognize your computer so that your preferences and/or authentication credentials can be recognized and so you do not have to provide this information every time you return to our web site.

Our cookies will track only your activity relating to your online activity on this web site, and will not track your other Internet activity. Our cookies do not gather personally identifiable information.

You can decide if and how your computer will accept a cookie by configuring your preferences or options in your browser. However, if you choose to reject cookies, you may not be able to use certain of our online products and services or web site features.

We may occasionally use other companies to set cookies on our web sites and gather cookie information for us. In some cases we may also use another company to operate web servers for our web site. We use the cookie information gathered by these companies in the same manner as stated above.

In addition to cookies, we may also use other means of passively collecting non-personally identifiable data about your use of our web sites, such as through the use of “clear GIFs” (small pieces of data that may be embedded in images on our web sites that enable us to track your usage of our web sites) and analyzing “click stream” data (the virtual trail you leave behind while browsing the Internet and viewing our web sites). We only use clear GIFs and click stream data to gather anonymous data about your visit to our web sites. Blocking cookies will prevent clear GIFs from tracking your activity, and also prevent us from collecting certain other anonymous unique information, such as your IP address, but the clear GIF will still account for an anonymous visit.

In addition to the information we collect from cookies, from clear GIFs, through the analysis of click stream data and any other means we may employ to collect non-personally identifiable information about you or your visits to our web sites, we may also obtain anonymous information which you provide to us online -- for example, when you use our tools and calculators.

We reserve the right to use and share aggregate and anonymous data (including data aggregated from you and other users of our web sites, tools and calculators) for any purpose and with any third parties, unless prohibited by law.

CHANGES TO OUR WEB SITE PRIVACY STATEMENT

We may change this Web Site Privacy Statement at any time and from time to time. Any amendments or modifications to this Web Site Privacy Statement will become effective immediately upon posting. Your continued use of any of our web sites following the posting of a revised version of this Web Site Privacy Statement will constitute your acceptance of the revised Web Site Privacy Statement. If you do not agree with the revised Web Site Privacy Statement, do not use any of our web sites.
